Re: Oregon State Plumbing Board Approval of IAPMO IGC 257-2009

Dear Mr. Orlando:

As you are aware the Oregon State Plumbing Board approved the IAPMO IGC 257-2009 Standard at their regularly scheduled meeting August 19, 2010.

Plumbing products listed to the standard by an ANSI accredited plumbing product listing agency are approved for sale and use in Oregon. If you need more information or have any questions feel free to call me at 503-373-7488.

I hope this information is helpful to you.

Sincerely,

Terry Swisher
Chief Plumbing Inspector
State of Oregon
